is building power with and for community by

## Listening to Oakland residents:

- 23859 community members reached by phone and text banks
- 1347 doors knocked in East Oakland
- 769 conversations with Oakland residents about their vision for the city

## Supporting parent and provider leadership:

- 124 parent leaders trained
- 573 Alameda County families and early educators pledged to fight for affordable child care

## Fighting collectively for what our communities deserve and WINNING:

- \$14.4 Million dollars in general purpose funding (2022-2023) to sustain and expand Oakland Head Start programs
- 52 Head Start jobs protected
- 3 Head Starts sites saved from closure

## PVO invites you to join us as we fight to:

- Ensure the funds we won through Measure C are disbursed according to our communities' needs and priorities
- Coalesce labor, caregivers and parents to fight for Black infant and maternal wellness
- Galvanize a Wise Council of Black Elders to guide the next generation of black community organizers
- Develop a proposal for an Early Educator's Work Center that unifies parents and child care providers to increase the visibility of the care workers who support our families and businesses
